

University of Phoenix

presents with honor to

John D Keeling

the Professional Certificate for the completion of coursework required in

Advanced Cyber Security (Undergraduate)

*In witness whereof, the seal of the University and the signatures as authorized
by the Board of Trustees, University of Phoenix, are hereunto affixed,
this fourth day of July, in the year two thousand twenty-two.*

Chairman, Board of Trustees

Interim President

The market leader in the generation of secure, portable digital credentials.

● *To validate this credential:*

Locate and note the CeDiD located in the upper left hand corner of the credential (page 1). The CeDiD is a unique identifier and is required for validation. Enter the CeDiD, using the link below to visit the institution's official validation website. Validation includes complete degree information that is time and date stamped by the issuing authority.

For more information on CeCredential Trust, click [here](#).

Validate Now

or visit <https://www.phoenix.edu/cecredential-validation.html>

● *To verify the digital signature:*

This credential is certified by CeCredential Trust and should read as such. The ribbon signifies that both pages of this document have not been modified since issued. Do not trust this document if any other symbol is displayed.

Attestation of the Registrar

This **Certified Electronic Certificate (CeCertificate)** acknowledged herein represents satisfactory completion or attainment of education as authorized by the institution identified.

This CeCertificate (credential) has legal standing, is non-repudiating, and can be validated through the institution's website to provide absolute confidence in the credential's authenticity.
